HARD FLOORING - CLASSROOMS

VCT / Vinyl Composition Tile / Hard Flooring

Guideline for OSM / Office of Space Management and other University classrooms
THIS IS A TYPICAL SPECIFICATION AND MAY VARY BY PROJECT

OCT 2012

OSM, Office of Space Management, University of Toronto

Contact: Burl Crone, burl.crone@utoronto.ca, 416 - 978 - 8613

Any manufacturer products listed here are sample products; the standard itself refers to finish and performance, not manufacturer. On projects with short led times having the contractor select the manufacturer allows them to ensure that it can meet required project delivery times.

HARD FLOORING

| | |
|-----------------|---|
| PRODUCT | VCT or equivalent tile |
| USE | High-Traffic (classroom) |
| SIZE | approx 12" x 12" x 1/8" tile / 305 x 305 x 3.17mm |
